## Flooring System

- Industrial and Commercial Flooring
- Sports Flooring
- Grass-type Flooring
- Indoor Flooring Materials
- Garage Solutions

## Flooring Material Processing

- Flooring Raw Materials
- Production Equipment
- Packaging Equipment

## Concrete Surface Treatment Equipment

- Leveling Equipment
- Trowel Equipment

- Polishing Equipment
- Shot Blasting Equipment
- Milling Equipment
- Small Tools, Power Tools
- Consumables
- Stone Care and Related Equipment
- Vacuuming and Cleaning Equipment
- Air solutions

## General Concrete

- Concrete Mixing and Conveying Equipment, Mixer Engines, etc.
- Concrete Transportation
- Cast-in-place Concrete
- Precast Concrete
- Consumables

- Sand and Gravel Aggregate Production Equipment
- Mining Equipment
- Waste Concrete Recycling Equipment and Products
- Concrete Additive
- Concrete Testing Instruments and Equipment
- Concrete Reinforcement Technology and Equipment
- Decorative Concrete, Ecological Concrete Products and Technologies, etc.
- Ultra High Performance Concrete (UHPC)
- Formwork Scaffolding and Production Equipment

# Overview-Exhibit Catalogue

## Mortar/Gypsum Technology/Masonry

- Mortar: Cement-based mortar, gypsum-based mortar, specialty mortars, architectural gypsum, etc.
- Mortar Production Equipment
- Mortar Equipment Accessories
- Production line Supporting Equipment
- Mortar Testing Equipment
- Transportation Equipment
- Spraying Equipment
- Mortar Additives
- Cement: specialty cements, white cements, etc.

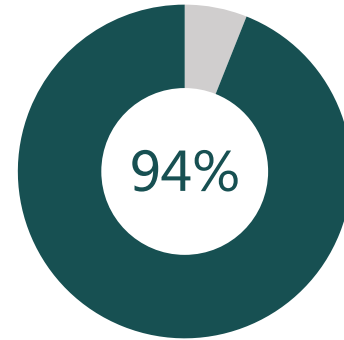

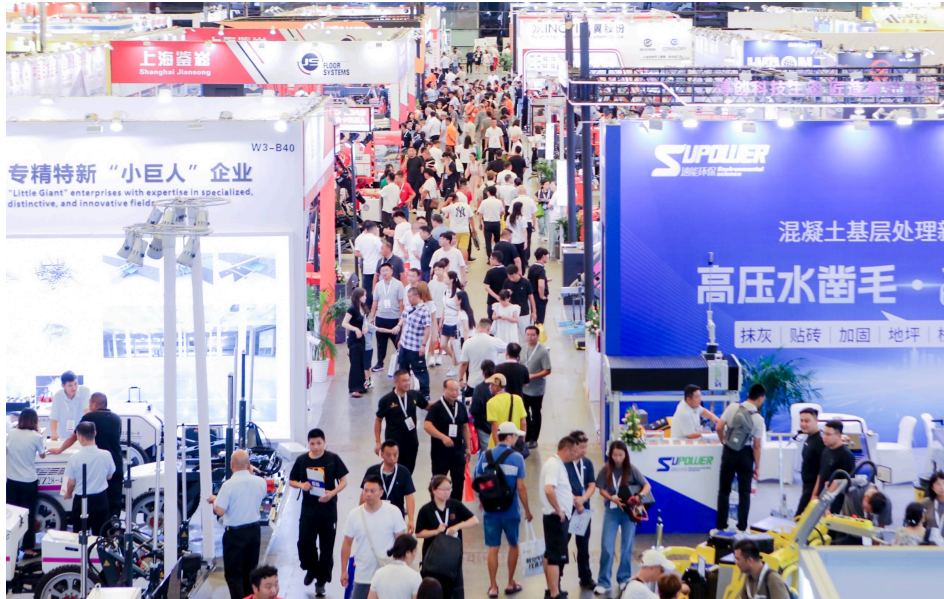

## Intelligent Construction

- Great House, Ultra-Low Energy Consumption
- Intelligent Construction Robots
- Sci-Tech Innovation Technology/ Transportation Sci-Tech Innovation
- Precast Concrete Components

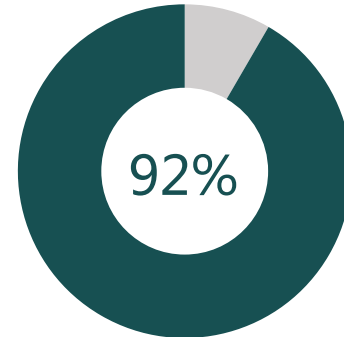

WOCA 2025 received total  
**40,985** visitors and attendees.

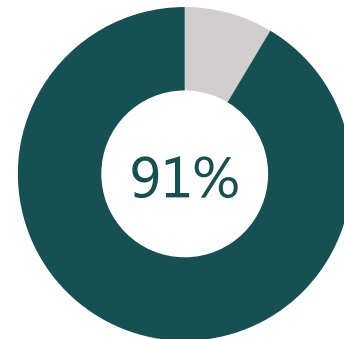

## Audience Satisfaction

Overall rating (good to excellent)

## Repeat Visit

Would definitely or probably attend again

## Worth Recommending

Recommend WOCA to business partners or colleagues

## 10+

### Industry Association Support

---

Floor Industry Branch of China Building Materials Federation, Ready-mixed Mortar Professional Committee of China Bulk Cement Promotion and Development Association, Yangtze River Delta Engineering Quality Alliance, Shanghai Stone Industry Association, Suzhou Real Estate Industry Association, Hangzhou Food Industry Association, Shanghai Real Estate Industry Association, Jiangsu Province Floor Industry Association, Zhejiang Province Floor Association, Anhui Province Floor Association...

## 20+

### Thematic Conference Activities

---

Focusing on floor cases, the Southeast Asian market, floor construction, mortar production and application, new technologies and materials for concrete, floor industry integration and other hot topics. Industry experts and elites exchange ideas and integrate wisdom together to promote the future development of the concrete, mortar and floor industries, and discuss development difficulties, industry pain points and future highlights!

## 65+

### Expert Speeches and Shares

---

From well-known experts of various industry associations to representatives of leading enterprises, there are more than 65 guest speakers in total to share new industry technologies and knowledge at WOCA 2025, and promote the standardized development of the industry.

W5馆 会议室D (W5E30)  
Meeting Room D (W5E30) - W5

论坛主持人 Forum Moderator  
孙 岩 中国散状水泥推广发展协会副理事长兼秘书长  
SUN Yan China Bulk-Cement Association of Popularization & Development, Vice Chairman and Secretary-General

10:00-10:30 低碳赋能·高性能修补砂浆：基础设施韧性提升与碳中和路径的创新实践  
Low-Carbon Empowerment, High-Performance Repair Mortar: Innovative Practices in Infrastructure Resilience Enhancement and Carbon Neutrality Pathways  
邓 辉 建筑材料工艺技术监督研究中心/建材建材质检中心主任  
DENG Hui Building Materials Technology and Process Supervision Research Center, Director of Construction Materials Quality Inspection Center

10:30-11:00 特种砂浆的绿色低碳技术途径探讨  
Exploration on Green and Low-Carbon Technical Approaches for Special Mortars  
张国防 工学博士 同济大学副教授  
ZHANG Guofang Engineering PhD, Associate Professor of Tongji University

11:00-11:30 特种砂浆—修补砂浆：让混凝土焕发新生  
Special Mortar—Repair Mortar: Revitalizing Concrete  
钱 茜 湖北美芝德新材料科技有限公司博士，研发总经理  
QIAN Xi Hubei Meizhengsheng New Material Technology Co., Ltd. Doctor, General Manager of R&D

11:30-12:00 固废在预拌砂浆中的应用技术解析  
Analysis of Application Technology of Solid Waste in Ready-Mixed Mortar  
13:30-14:00 《住宅项目规范》中砂浆体系技术解析  
Technical Analysis of Mortar Systems in the Code for Residential Projects  
冯文科 方达康砂浆技术研究院教授，院长  
FENG Wenli Fangdakang Mortar Technology Research Institute, Professor, Dean

14:00-14:30 全自动绿色干罐生产线助力砂浆生产降本提效  
Automatic Green Drying Production Line: Boosting Cost Reduction and Efficiency Improvement in Mortar Production  
董卫良 福建南方路面机械股份有限公司干混事业部总经理  
DONG Weiliang Fujian South Highway Machinery Co., Ltd. General Manager of the Dry-mix Mortar Division

14:30-15:00 (白色) 贝利特微晶盐胶凝剂在特种砂浆中的应用研究  
Research on the Application of (White) Belite Sulfoaluminate Cementitious Materials in Specialty Mortars  
张世杰 郑州市康文特材料科技有限公司总经理/技术总工程师  
ZHANG Shijie Zhengzhou Jianwen Materials Technology Co., Ltd. General Manager/Chief Technology Officer

15:00-15:30 聚焦低碳话题，以及白水泥在混凝土、砂浆等应用  
Focus on low-carbon, the application of white cement in concrete, mortar, etc.  
唐 雷 阿尔波特兰 (安庆) 有限公司高级市场销售经理  
TANG Lei Aalborg Portland (Anqing) Co., Ltd. Senior Marketing and Sales Manager

15:30-16:00 石膏自流平砂浆在地坪施工中的优势与应用技术  
Advantages and Application Technologies of Gypsum Self-Leveling Mortar in Floor Construction  
钱亚莉 上海市康航科学研究院有限公司主任助理  
QIAN Yaoli Shanghai Research Institute of Building Sciences Group Co., Ltd. Director Assistant

长三角好房子建设新技术交流会 Yangtze River Delta Great House Construction New Technology Release Forum 日期Date: 8.13 W5馆G30活动展示区 Activity Exhibition Area-W5G30		
时间Time	内容Event Content	演讲嘉宾Speaker
11:15-11:20	主持开场Opening	长三角工程质量联盟 秘书长 李菲 Yangtze River Delta Engineering Quality Alliance. Li Fei. General Secretary
11:20-11:40	推进改善型住宅发展，提升好房子建设品质 Promoting the Development of Improved Housing and Enhancing the Quality of Great Housing Construction	江苏省建筑行业协会会长 耿裕华 Jiangsu Construction Industry Association Geng Yuhua. President
11:40-11:55	集成节能科技建设高品质好房子 Build High-Quality Great Housing with Integrated Energy-Saving Technology	浙江宝业建设集团有限公司 技术部副经理、工程师 刘宁 Zhejiang Baoye Construction Group Co., Ltd. Liu Ning. Deputy Manager & Engineer of Technology Department
11:55-12:10	筑就皖美家园-安徽省“好房子工程”的民生答卷与品质实践 Build a Perfect Home-The People's Livelihood and Quality Practice of Anhui's "Great Housing Project"	淮北矿业(集团)工程建设有限责任公司 工程部部长 王辉 Huabei Mining (Group) Engineering Construction Co., Ltd. Wang Hui, Chief Engineer
12:10-12:30	华为鸿蒙智家分享 Huawei HarmonyOS Smart Home Sharing	华为鸿蒙智家中国区 销售总监 蓝翔宇 Huawei HongmengOS Smart Home China Region Gao Xiangyu, Sales Director

# The Grand Final of 2025 National Flooring Installation Professional Skills Competition

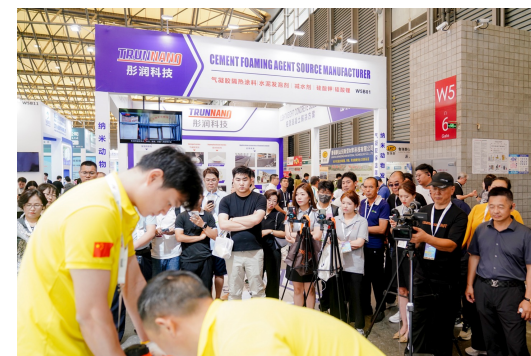

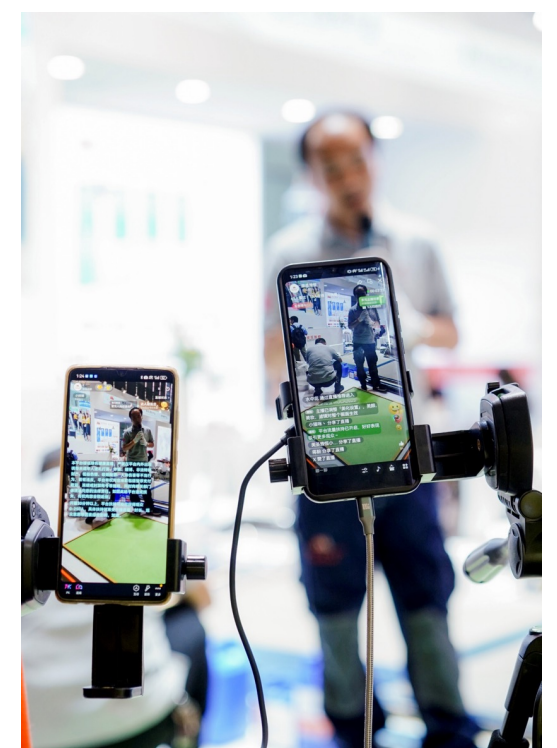

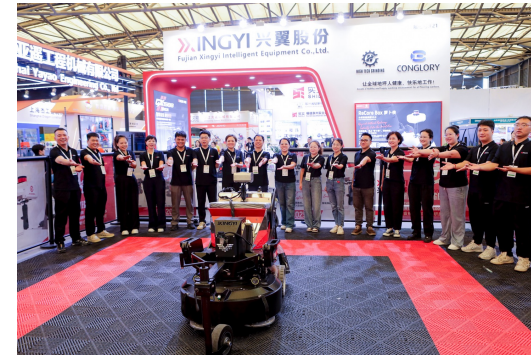

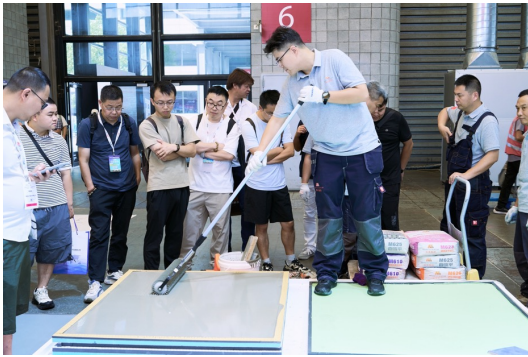

WOCA博览会  
出口好平台  
WOCA - First Stop for  
Global Expansion

Hosted by Changzhou Vocational Institute of Engineering, China Building Materials Federation Floor Branch (CFA) and China Floor Association Alliance (in preparation), and co-organized by **WOCA** and other parties, "The Grand Final of 2025 National Flooring Installation Professional Skills Competition" aims to help more people understand the industry, promote industry-education integration and inherit the craftsman spirit by combining the influence of national competitions and industry expos.

# Vertical Industry Resources at Home and Abroad

## World of Concrete Series by Informa

The World of Concrete in Las Vegas, USA, is hosted by Informa Markets. After nearly 50 years of accumulation and development, the WOC Series has become an international platform for the global commercial concrete and masonry industry, with its brand expanded to the United States, China, Mexico, Canada, France, India and other places around the world.

## Top-tier Industry Seminars

There are more than 60 industry forums at the WOCA site, covering hot topics and latest technologies at home and abroad in the industry, which are shared by experts, scholars and enterprise leaders to present research results, analyze hotspots and explore industry trends.

## Media Resources at Home and Abroad

WOCA covers the whole-domain marketing of the construction sector, with over 300 media resources at home and abroad in the concrete, floor and mortar fields. WOCA also introduces the exhibition concept of international leading intelligent commercial technology and digital communities into Asia, and links 7 major WOCA international buyer resources to build a global business network.
